NOW TAKING APPLICATIONS FOR THE SPRING 2012 SEMESTER!

HAWS is starting an exciting new program for kids and we'd like to invite your child to be a part of it!

For many years now we've been asked about volunteer opportunities for children. Currently our volunteer opportunities require that children ages 13-15 partner with a parent both in volunteer training and while volunteering here at HAWS. Until now we haven't had any opportunities for children younger than 13.

We are therefore offering a new program that we're calling Critter Club which will have opportunities for kids in the 6th through the 9th grades to volunteer at HAWS on Saturday mornings from 9am to 11am without a parent, and attend educational programs on Thursdays at HAWS between 6pm and 7:30pm.

A Critter Club session will run for a school semester and cost \$150.00 per session to cover our staffing costs and other expenses. Attendance at every meeting and volunteer session is not mandatory – we realize young people have a lot going on in their schedules! All we ask is that Critter Club members be able to attend at least half the sessions.

Critter Club members will have to apply for membership, submit recommendations from two non-related adults (teachers, ministers, scout leaders, etc) and write an essay about why pets are important. Once these submissions are reviewed we will invite the best candidates to join the program within two weeks of the first meeting.

The estimated start date for the Spring 2012 Critter Club will be Thursday, January 26, 2012. The official schedule will be posted by October 31, 2012.

If your middle school aged child is interested in applying for a spot in Critter Club please return the following items:

- Critter Club Application
- Recommendations from two non-related adults (teachers, ministers, scout leaders, etc)
- A 150 word essay on why pets are important

Please send to my attention:
