THE BUZZ on Fur-Ever Home™ The Animal Rescue Game

What is Fur-Ever Home™?

Fur-Ever Home™, The Animal Rescue Game is a fun, educational, family-friendly board game that gives players the opportunity to run an animal rescue. While doing this, players get to experience the many rewards and challenges of managing a rescue including: taking in all different types of animals off the streets, caring for them, and sending them to their "Fur-Ever Homes".

The goal of the game is for all players to work together to take in all animals off the streets, while not running out of money. Once the streets are cleared, players add up their points from animals in Fur-Ever Homes. The player with the highest points wins!

Who Created This Game?

Fur-Ever Home™, The Animal Rescue Game was created by Petsapalooza LLC. We are a game company committed to assisting more people in choosing animal rescue.

How is Petsapalooza doing this? We are doing it by creating fun, family friendly games that make animal rescue an everyday term. Our research shows that many people still don't know much about animal rescue. They aren't aware that there are pure-breds, puppies/kittens, and many great vetted and trained animals awaiting forever homes. We teach them all of this through interactive play where they become part of the solution. They will see how animal rescues and shelters work as they test their skill at running a rescue, get to know the types of animals that go through rescues and shelters, and learn how they can support their local animal rescues and shelters.

Petsapalooza is also giving back to local rescues and shelters. When a customer buys the game on our website, www.petsapalooza.com, they select a rescue or shelter of their choice. Petsapalooza then donates \$5 to that rescue or shelter. This supports rescues and shelters and also makes the customer more familiar with these organizations in their area.
