Dogs must be on a leash at all times. Water, treats and clean-up bags will be provided. Please leave kitties at home – the puppies want the park all to themselves!

The rain date is Saturday, May 13 at HAWS (701 Northview Road, Waukesha) from 9 am to 1 pm. However, we will be at Sussex Village Park on May 6 to collect pledges if the Romp 'n Rally is rained out that day.

The Humane Animal Welfare Society of Waukesha County leads the community in animal welfare and assures sanctuary for animals in need by:

- caring for 8000 homeless, lost and neglected animals each year,
- providing classes and seminars on pet training and welfare,
- specializing in adoption services that find pets their forever homes,
- spaying/neutering 4000 animals,
- rescuing abandoned pets and wildlife,
- educating 6400+ children on responsible pet ownership,

...and so much more!

We do all this with funding provided by generous individual donors, modest fees for services, and the support of the FRIENDS of HAWS, a volunteer friend-raising and fundraising group.

To find out more about HAWS, our animals, and the FRIENDS group, go to hawspets.org, call us at 262-542-8851, or visit HAWS seven days a week at 701 Northview Rd., Waukesha.
