The "Be a Foster" event on Saturday, June 29th at Petco in Delafield rewards current volunteers and encourages new foster families with awards and prizes! *Details at hawspets.org/mobile-adoption-center/.*

Summer pet safety tips:

- Leave pets securely at home, indoors, during fireworks shows or extreme weather. Never leave pets outside unattended, even in a fenced yard. Air conditioning or fans provide soothing background noise and comfort.
- Never leave pets unattended in a parked car. The temperature inside a vehicle, even with windows open, can climb more than 30 degrees per minute depending on conditions. Plus, keep off hot, dark asphalt whenever possible when on walks, to avoid burns to sensitive paw pads.
- Make sure your pet has I.D. - both tags and a microchip - with current contact information. Keep pictures of your pet and vet records on your phone for easy reference and identification. Microchips are available at HAWS, 7 days a week, no appointment necessary!

June PET-cetera at HAWS:

- Have a pint for the pups at **Mob Craft Brewery & Taproom** - the Vanilla "Woofers" Porter event to benefit HAWS is June 11th from 5-8pm.
- **Puppy Parties** - every Sunday from 4:45-5:15pm. *Pre-registration required at hawspets.org.*
- **Pedicures** - cats (6/8 & 25), small animals (6/12 & 15). *Dog nail trims available on request.*

Details for all the great HAWS' happenings - including the many June Mobile Adoption tour stops and all available dog training classes - are available at hawspets.org!
