

Delafield Small Animal Hospital

**Congratulations on the adoption of your newest family member!
Here is a coupon for a complimentary first wellness exam
to support your adoption from the Humane Society!**

Dr. Osgood opened this practice in May 1996. Dr. Osgood graduated from the University of Wisconsin Madison School of Veterinary Medicine in 1991. She shares her clinic with 3 office cats: Maia, Midnight and Freckles, 1 parakeet, 1 cockatiel, and three aquariums. She shares her home with 3 French Bulldogs named Louie, Pearl and Lola.

We welcome all types of animal at the Delafield Small Animal Hospital!

Not only do we see dogs and cats, but Dr. Osgood also specializes in exotics species such as snakes, rabbits, lizards, gerbils, guinea pigs, hamsters, ferrets, mice, rats and birds.

Give us a call today to schedule your pets first courtesy visit at 262-646-4660 or visit us online at www.delafieldsmallanimalhospital.com.
