HAWS NOVEMBER 15TH TRANSPORT FLIGHT - UPDATE

Some dogs brought to Waukesha animal center now available for adoption

WAUKESHA – November 16, 2022. Some of the dogs from the transport plane that made an emergency landing Tuesday morning on Western Lakes Golf Club are now available for adoption at HAWS!

After a night of settling in, including having books read to them by the members HAWS' Tuesday Troops youth volunteer club, the dogs Snickers, Alfie, Draco, Calvin, Tinley, Dumpling and CeeCee are now ready to land in their forever homes. HAWS adoption hours are Monday-Friday from 1-5pm and weekends from 12-3pm.

Tuesday Troops is a hands-on education opportunity for kids in 6th-8th grades who are interested in learning about what it takes to care for the animals at HAWS as well as their own pets. Along with responsibility, they learn the importance of compassion and caring.

No life-threatening injuries were sustained by the 3 people or 53 dogs on the flight. All the animals were triaged at HAWS by staff veterinarians and are being monitored for any health issues. Those dogs that needed to be spayed/neutered have also had those surgeries and are in recovery. They will be placed up for adoption shortly.

A planned transport, the flight was bringing at-risk adoptable dogs from southern shelters to HAWS and several partner shelters. HAWS regularly welcomes these life-saving transports.

For members of the public who wish to help, monetary donations to assist with medical care can be made at <https://hawspets.givecloud.co/give> or dropped off at the shelter on Northview Road. HAWS is also accepting donations of towels, blankets, plastic animal travel crates, and enrichment toys and treats. HAWS' Wish List for desired supply items can be found at <https://hawspets.org/in-kind/>

A non-profit organization established in 1965, the Humane Animal Welfare Society assists over 10,000 animals and welcomes more than 35,000 human visitors each year. HAWS is an open admission, no-kill shelter dedicated to strengthening the relationship between animals and humans through adoptions and education, making a more compassionate community possible.

*HAWS is located at 701 Northview Road in Waukesha, Wisconsin.
