## **TRANSPORT FLIGHT TO HAWS MAKES EMERGENCY LANDING**

*Waukesha animal center reports no life-threatening injuries occurred*

**WAUKESHA – November 15, 2022.** A transport plane bringing adoptable animals to HAWS made an emergency landing this morning on a Waukesha County golf course. No life-threatening injuries were sustained by the 3 people or 53 dogs on the flight.

This flight was a planned transport, bringing at-risk adoptable dogs from southern shelters to HAWS and several partner shelters. HAWS regularly welcomes these life-saving transports.

All the animals were triaged at HAWS by staff veterinarians. They remain under observation at this time to ensure there are no other medical concerns, but are expected to be placed up for adoption as planned in the coming days.

For members of the public who wish to help, monetary donations to assist with medical care can be made at <https://hawspets.givecloud.co/give> or dropped off at the shelter on Northview Road. HAWS is also accepting donations of towels, blankets, plastic animal travel crates, and enrichment toys and treats. HAWS' Wish List for desired supply items can be found at <https://hawspets.org/in-kind/>
